Technical Procedures for Power Mechanics Technicians
Truck Engines
Fundamentals of Internal Combustion Engines
Fundamentals of Electricity
Welding Fundamentals
Truck Clutches
Truck Electronics
Cooling Systems
Air Brakes and ABS
Steering and Suspension
Trailer Servicing
Diesel Fuel Systems

Internships

As a Diesel Truck Technology student you will complete an internship during your final semester allowing you to apply your lab and classroom skills in an actual work environment.

Tool Requirements

As a student in the Diesel Truck Technology program, you will be required to purchase a minimum standard set of professional grade tools moving into the third semester of your program. Tools will be supplied to you during your first two semesters in the program. A complete tool list with associated costs and vendors is available at www.kirkwood.edu/dieseltruck to help you plan for this purchase.

Additional Program Information

A commercial driver's license (CDL) is recommended for this program. As a student in the program, you can take Kirkwood's Continuing Education CDL program.

Scholarships

Kirkwood will help you pay for college! Kirkwood awards more scholarships than any other community college in Iowa. For more information and to apply, visit www.kirkwood.edu/scholarships.
