INFORMATIONAL ITEMS

Construction Projects Update:
Troy McQuillen, Vice President of Facilities and Public Safety introduced Monica Davis, Senior Director of Construction and Facilities Planning, who provided an update on the campus construction projects which included:
- Recently completed projects:
  - Recreation Center
  - Automotive Technology located at the KCETC Building
  - Winery located in the Horticulture Building
  - Facilities Storage
  - Jones County Regional Center Parking Lot Expansion – provides 45 additional parking spaces
- Projects in Process:
  - Kiln Building – HVAC rework to provide code-compliant ventilation – classrooms anticipated to be online ready for fall semester.
  - Iowa Hall-Student Center, Library and Greenspace – our largest construction project, started March 2020 with anticipated completion in April 2022.
  - Animal Health – research revealed the best option is to propose a new building site. Working now with design architects and plan to release this project for bid in February 2021.
- Renovations to The Hotel at Kirkwood – Jackie Bohr, General Manager, shared all of the renovation updates within the hotel entry/lobby, lounge, guest rooms, Class Act Restaurant and the extended outdoor patio space. Anticipate having the final touches on the outdoor patio area complete in September 2020.

Kirkwood Report:
Justin Hoehn, Associate Director of Marketing, provided the Eagle Update/Kirkwood Report, which included:
- Back to campus for employees and students after going to an all on-line learning format in March 2020 as a result of COVID-19. This included remote working for employees as well. Employees and faculty have been returning to campus and this fall students will return to a safe and productive learning environment. Students will have more choices when it comes to choosing a learning format of either in-person or online classes.
• Iowa Hall construction continues during the pandemic. This 2-year project will be finished in the fall of 2022.
• Kirkwood received two student support grants from the US Department of Education under the TRIO Program. The first grant further funds the TRIO Program with an additional $1.55 million dollars over four years. The second grant is for a new Student Support Services program at Kirkwood to serve ESL students over four years for approximately $1,047,000 and will help an estimated 140 students annually.
• Kirkwood’s Respiratory Therapy program has been recognized by CoARC as a program that meets/exceeds established thresholds for credentialing success and retention.
• In July, Kirkwood’s Global Learning department was featured in an article for US News and World Report touting the benefits of international programs at community colleges.
• In May, Essoyodou Victor Houzou, an English Language Acquisition student at Kirkwood, won first place in an adult essay contest for the 2020 Mid-America Teachers of English to Speakers of Other Languages.
• Dawn Wood, Dean of Global Learning, is a member of the special task force organized by the Forum on Education Abroad to work on reopening education abroad programs. They will publish findings later this month.

Financial Report:
Treasurer Choate provided a financial update on the FY20 expected results due to impacts resulting from COVID-19:
• Revenue
  o Credit Tuition down 5%
  o Continuing Education and Training Services down 16%
  o Sales and Service at our Enterprise Centers down 24%
• Expenditures
  o Personnel costs down 5%
  o Operating expense down 19%
• Net Income of $3.1 million for FY20

The FY21 budgeting process is currently ongoing with expected completion by August 31. We are expecting to be down in credit hours somewhere between 10-15%. There has been no reduction in State General Aid for FY21. We are reducing the FY21 travel budget by 50% of the FY20 budget due to COVID-19. Could potentially use $2-3M of cash reserves in FY21. Overall college budgets for FY21 will be reduced by at least 10%.

The CARES Act funds for students has been fully distributed and as of July 31, 2020 we have incurred over $1.5M in COVID related Institutional expenses. We have a balance of approximately $1.6M remaining and this has been allocated for additional student technology needs, additional PPE, and student enrollment incentives.

Due to the conversion from US Bank to Bankers Trust we do not have the final reconciliations to report cash balances this month. This will be added to the September report once all cash system changes are completed and reviewed.
