INFORMATIONAL ITEMS

Kirkwood Report:
Justin Hoehn, Associate Director of Marketing, provided the Eagle Update and Kirkwood report, which included:

- The north half of the renovations of Washington Hall are nearly complete and will be ready for classes January 21, 2020. Construction on the south side of Washington Hall will begin this month. If all stays on track with this project, it will be complete in December 2020.
- Basketball season continues and both the men’s and women’s teams are enjoying successful campaigns thus far. Eagle men are ranked 13th in the nation and the women’s team still holds the number one ranking in the NJCAA Division II.
- Student of the month: Cassie Calkins and her family moved to Iowa when she was age 16 from Southwest Florida. After finishing high school Cassie was still trying to figure out what she wanted to do. Kirkwood was only 25 minutes away from home so she decided to attend and make some progress toward a degree. She is now in the two-plus-two program for Criminology and Law and will be transferring to The University of Iowa this Fall.
- Iowa Hall construction will begin soon. The past couple of months have required the migration of 16 departments to a temporary two-year location while construction is going on in Iowa Hall. For all of the latest information and to check progress on all of the renovations, refer to the website: kirkwood.edu/renovations.
- The Kirkwood Website is also under renovation. Marketing and IT have been concentrating on the initial work for the new website by narrowing down the number of pages on the current website before content is migrated to the new site.

Strategic Planning Update:
Connie Thurman, Chief Officer for Institutional Effectiveness and Innovation, updated the board on the current strategic plan process:

- Strategic planning is one component of overall Institutional Effectiveness. The focus today examines two of the college strategic drivers: Learner Success and Student Experience.
- The Institutional Level KPIs are derived from the college strategic drivers:
  - Learner Success (includes persistence, retention, completion full-time, and completion part-time). Kirkwood percentages in these areas were shared in
comparison to the National Community College Benchmark Project 90th percentile and the Iowa high percentage.

- **Student Experience** (student engagement categories include active and collaborative learning, academic challenge, student-faculty interaction and support for learners). Kirkwood will be conducting the Community College Survey of Student Engagement (CCSSE) during the spring semester. This was last conducted in 2017.

- **Employee Development**
- **Community Impact**
- **Operational Excellence**

- Representatives from IE are working with individual departments to develop their departmental KPIs. Examples of some completed departmental KPIs were shared to demonstrate how they roll-up into the institutional level KPIs.

- Future actions include a data day retreat for the cabinet where various survey data will be disaggregated to assist with developing the 2021 institutional level KPI’s and provide updates to the overall strategic plan. The Leadership Team Retreats during April 2020 and Fall 2020 will focus on sharing results from the implementation of departmental KPI’s – what worked and what didn’t. There will continue to be periodic status update reports to the board.

**Financial Report:**
Treasurer Choate provided the current financial update with a focus on the local property tax levy:

- Review the FY20 Property Tax Levy approved in March 2019 (current rate 1.21331) and historic property tax levy rates since 2014. The projected tax levy for FY21 may increase slightly due to potential increases in general liability insurance and equipment maintenance insurance (estimated rate 1.21677).
- Reviewed current unrestricted funds.
- FY20 budget projections will be adjusted in January and presented at the February meeting.
- Reviewed current and future construction projects.
- At the end of December 2019 there is an unrestricted cash reserve of 117 days of operation.

**CONSENT AGENDA**
Trustees Ovel and Rennekamp moved and seconded approval of the Consent Agenda. Motion carried: 8-0.

A. **Personnel** (as attached to these minutes).
B. **Synopsis of Bills**
   1. Kirkwood Community College pages 1 through 78 for a total of $8,928,447.72.
