

Instructions to access your **2017 Tax Return Transcripts**, a **Verification of Non-Filing Letter** or a **Wage and Income Transcript**

The **quickest and easiest** way to do this is to **UPDATE YOUR FAFSA** using the **DATA RETRIEVAL TOOL (DRT)**.
Some students and parents cannot use the DRT for various reasons, but most can, so it's definitely worth a shot!

Benefits: The DRT uploads your tax information from the IRS to your FAFSA, eliminating data entry errors, and can help avoid unnecessary processing delays or the need to submit paper copies of your or your parent(s)' tax return transcripts.

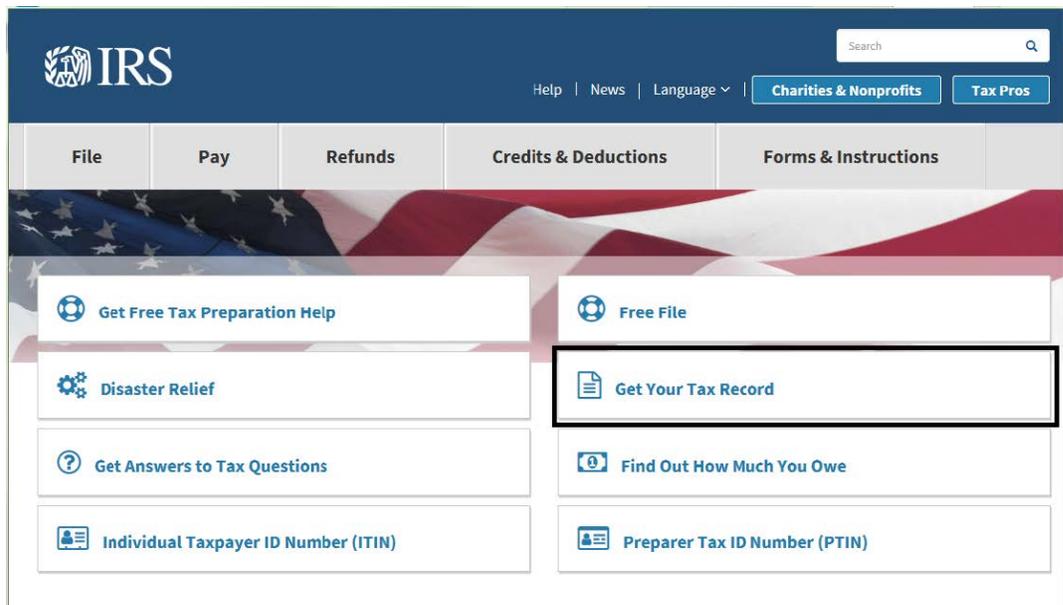

It's **EASY** to use the DRT! ...just follow these simple steps:

If you cannot use the DRT, you can **DOWNLOAD AN INSTANT TAX RETURN TRANSCRIPT** via the IRS website.
... you can also download a **Verification of Non-Filing Letter** or **Wage and Income Transcripts**, if necessary.

Follow these steps:

1. Go to:
www.irs.gov
2. Click 'Get Your Tax Record'

3. Click the 'Get Transcript ONLINE' button on the left of the screen
4. Click the 'Create a Login' button on the right of the screen to sign up:
You will **follow the 6 steps** indicated to create your account. You will be asked to provide your **name and email** address and then you will need to **request a verification code** which will be sent to your email. Once you input your code, you will fill in the required **personal and tax information** and will then **answer questions related to information found in your credit report**. You will then be prompted to set up your **security profile**.
