Steps to Earning Your High School Diploma

A high school diploma is within reach! We help hundreds of students each year and **YOU** are going to be the next one to succeed. Whether you need a little help or a lot, you’ve come to the right place.

**STEP 1**
Attend an orientation meeting and take a test to determine what you know. Staff will share your test results and talk about the best way for you to earn a diploma.*

**STEP 2**
**IF YOU NEED MORE HELP**
- Attend classes for subjects that challenge you.
- Learn how to read, write and speak English (if needed).
- After taking classes, take practice tests for all subjects on the HiSET test. We will let you know when you are ready.

**IF YOU NEED LESS HELP**
- Take practice tests for all subjects on the HiSET test.
- Attend classes if needed.

**STEP 3**
Begin taking official HiSET tests.

**STEP 4**
Attend graduation and receive your high school diploma.

*If you are only a few credit hours short of a diploma, you might want to take advantage of the Adult High School program.
