Waitlisting is now available!
The Distance Learning Department is piloting the waitlist system for our summer and fall sections.
If a class is full, you will have the option to put yourself on a waitlist.
If registering on Eaglenet, you can waitlist yourself for a closed section by selecting waitlisting in the action drop down box.
If you are registering via phone, the person registering you will get a warning that the course is waitlisted.
If your name comes to the top of the list, an email will be sent to your Kirkwood student email account. You will have 24 hours to register yourself for the course.
To register, go to Manage My Waitlist in Eaglenet and select the course you have permission to register for.
