

Logging Into ANGEL

1. Open your internet browser and go to <http://kirkwood.angellearning.com> or go to <http://www.kirkwood.edu/elearning> and follow the "Login to ANGEL" link. You will be directed to the ANGEL homepage.

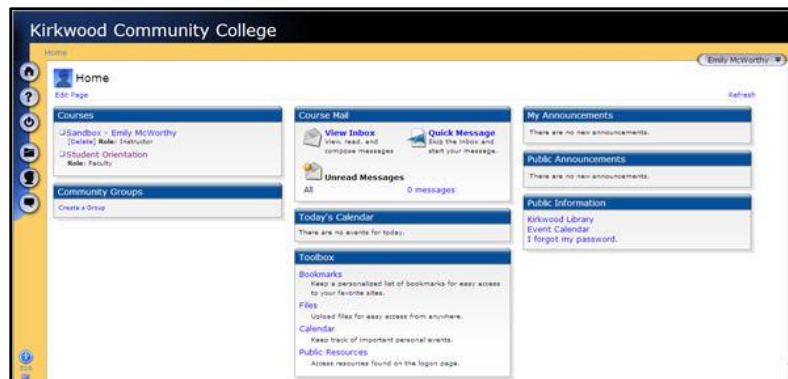

2. Type in your Angel User name and Password

Your *Angel User name* is your k-number.

Your *Password* is the same password that you use for Eagenet. You cannot change your password within ANGEL. Change your password in Eagenet.

3. Successful Login

You should see your personal homepage with your name in the upper right hand corner. The titles of all Angel courses you are registered for show on the left of your screen. Click on the course title to access the course. Once you are able to enter the course, carefully read the syllabus and be sure to check for any assignment and/or exam deadlines.

Your Login may not work if...

... it is before the first day of class. Please allow 24 hours after you have registered.

... the instructor has not yet made the course accessible (by default courses are available on the first day of classes).

...Your password has expired. Login to Eagenet and update your password. Try logging in again.
