**Course Registration**

### Summer 2007

Priority registration begins April 2 and continues until April 5. All new students can register after April 5.

### Fall 2007

The course schedule for fall 2007 will be available online starting March 20. Copies of the schedule book will be distributed beginning April 5. Students who are currently registered will be notified through the mail and email of their registration priority. Registration priority determines the time and day that you will be allowed to register. Priority is based upon the total number of credits earned to date.

**EagleNet Reminders**

You will need your Kirkwood identification number and your password to register using the EagleNet online system.

If you have forgotten or don’t know your 7-digit Kirkwood ID number:

- Go to any Kirkwood academic department office, with a photo id and ask for your number

**EagleNet Did You Know???

- Address changes can be made on EagleNet
- Grades can be viewed on EagleNet
- View and print your class schedule on Eaglenet
- Degree audits can be printed to view progress

Plan ahead, see your advisor and register early!
