Veterinary Technician

Department: Agricultural Sciences
Degree: Associate of Applied Science
Entry time: Summer
Length: 2 years (4 semesters, 2 summers)

- One of the **largest schools** in the nation for number of **Ag program graduates**.
- **Small class sizes** with hands-on learning labs.
- 13 agriculture-related student organizations among the **80+ clubs** on campus.
- **Required internship opportunities** providing great industry contacts, which could lead to a full-time position after graduation.

4-16

Program Description

Prepare for a career that provides professional technical support to veterinarians, biomedical researchers and other scientists. Technicians in this field will care for hospitalized patients; assist the doctor in surgery; perform physical exams, labwork and technical procedures (blood draws, IV placement); take health histories and X-rays; induce and monitor anesthesia; provide client education; and perform reception duties.

As a Veterinary Technician student you'll work with a variety of animals including dogs, cats, horses, cows, pigs, sheep, birds, snakes, guinea pigs, hamsters and rats. A strong background in biological sciences is needed for this program.

Career Opportunities

Veterinary practice
 Biological research lab
 Animal shelters
 Pet shops
 State and federal agencies

Sample Classes

Veterinary Medical Terminology
 Animal Anatomy and Physiology
 Veterinary Computer Applications
 Animal Behavior/Kennel Management
 Veterinary Pharmacology
 Large Animal Care
 Animal Nursing
 Fundamentals in Small Animal Nutrition
 Large Animal and Poultry Medicine
 Laboratory Animal Medicine

Accreditations

This program is accredited by the American Veterinary Medical Association (AVMA) Committee on Veterinary Technician Education and Activities (CVTEA). For more information, go to www.avma.org.

Internships

As a Veterinary Technician student, you will complete a 300-hour internship at a veterinary hospital or research institute during the summer between your first and second year allowing you to apply your lab and classroom skills in an actual work environment.

Scholarships

Kirkwood will help you pay for college! Kirkwood awards more scholarships than any other community college in Iowa. For more information and to apply, visit www.kirkwood.edu/scholarships.
