TI-84 CALCULATOR CHECK-OUT POLICY

1. **The replacement cost of the calculator is $140.00.** The calculator you are borrowing is the property of Kirkwood Community College. You are responsible for replacing the calculator should it be lost or stolen. **Please report a lost or stolen calculator immediately.**

2. **A $20.00 cash deposit is required** in order to check out a calculator. Your deposit will be returned, minus any overdue fines, if applicable, upon return of the calculator. Calculator must be returned in good working order.

3. **Calculators are due at the end of the semester**

   DATE

   Failure to return the calculator on or before the due date agreed upon will result in the accruement of overdue fines of $1.00 per day, and **forfeiture of your deposit.**

4. **Failure to return the calculator at all** will result in an “incomplete” in your math class. In addition, you will be barred from registering for any course until the calculator is returned or paid for and fines or fees are paid.

5. **You are responsible for replacing the AAA batteries** should they need it. The message “your batteries are low” will appear on the screen when the AAA batteries need replacing. The calculator operates on 2 types of batteries, 4 AAA and a lithium battery.

I HAVE READ, UNDERSTAND, AND AGREE TO THE ABOVE CONDITIONS.
