Register on vsp.com. It’s easy and secure!

**step 1**
Enter identifying information

**step 2**
Create User ID and password

**step 3**
Access your secure personal benefits page, where you can:
- View your coverage, including eligibility and copayment information
- Find a VSP doctor near you
- See details of your previous VSP doctor visit and savings (when applicable)
- Get instructions on how to use your benefit

**Why register?**
Due to a heightened awareness of online security, we are changing to a new, more secure login method that does not use Social Security Numbers.

When you register on vsp.com, your information is password protected. You are the only person with access to your personal coverage information.

Protecting your privacy and your Protected Health Information is of great importance to us at VSP.
