

# BALLROOM & SOCIAL DANCING

with instructor Rich Rowray

## BALLROOM/SOCIAL DANCING I

Learn to dance and build a valued social skill that lasts a lifetime. Ballroom/Social Dance is a five-course series. The theme for this first course is simplified recreational dancing. It provides the foundation for all partner dancing and future classes. Five core dances are taught: ballroom slow, fox trot, single swing, rumba and waltz. It's perfect for couples preparing for wedding dances.

## BALLROOM/SOCIAL DANCING II

This course has two goals: 1) Learn four new dances used in social and night club situations, and 2) review, refine and add to the dances covered in Ballroom/Social Dancing I. Completion of this class will equip you to dance to almost any music on any dance floor.

## BALLROOM/SOCIAL DANCING III

This class prepares you to dance to the music provided by local bands including big band, rock-n-roll, disco, Latin, country and more. Ballroom/Social Dancing I & II are reviewed, then expanded with the tango, polka and Viennese waltz, thus improving your coordination, agility and balance. Prerequisite: Ballroom/Social Dancing I & II.

## BALLROOM/SOCIAL DANCING IV

Ballroom/Social Dancing I, II & III are reviewed with cha cha cha and mambo/salsa added. When you complete this course you will have been exposed to the most popular dances and will receive a certificate designating you as a "Dance Ambassador of Unforgettable Music."

## BALLROOM/SOCIAL DANCING V

This finale course provides the opportunity to refresh, practice and improve the cooperation, communication, patience and persistence required of partner dancing. Prerequisite: Ballroom/Social Dancing IV. Participating in and joining at least one of the three dance opportunities is expected.
