Registrations are due one week prior to start of the class. The program is subject to cancellation if registration is insufficient. Registration is not complete until payment is received. Capacity is limited and may fill prior to deadline.
**Career Construction Laborer Certificate**

The construction industry is one of the most diverse and rewarding fields in the world. From building a single-family dwelling to a railway tunnel under the English Channel, the potential for personal growth and financial rewards are only limited by your willingness to work and learn. A career in construction provides a good standard of living for a family as well as a sense of pride and accomplishment in the projects you build.

This 240-hour program is endorsed by the Iowa Laborer’s Education & Training Fund, providing training in workplace skills, scaffold building, mason tending, first aid, OSHA safety, concrete finishing, welding/cutting/fabrication, general construction and more. Students successfully completing this coursework may be advanced placed into a Bureau of Labor approved apprentice program. Journeyman Laborer’s wage/benefits earning potential is over $28/hour for Linn, Benton and Jones counties.

Upon successful completion of this program, you will be provided with the following credentials:

- Craft Orientation Certification
- OSHA 10 Certification
- First Aid/CPR Certification
- Scaffolding Certification
- Mason Tenders Certification
- 40-hour General Construction Certification
- Aerial Lift Certification
- Skid Loader Certification
- Rough Terrain Forklift Certification
- Basic Concrete Certification

**Course Details**

**Week 1 - Safety Orientation:**
Craft Orientation, OSHA 10-hour Outreach, First Aid/CPR, Scaffold User and Scaffold Builder.

**Weeks 2 & 3 - 80-Hour Mason Tenders:**
