Kirkwood’s Vaccination Schedule

Before a student can bring a horse from off campus they must have the following:

1) Negative Coggins Test dated within 1yr.
2) Flu/Rhino vaccination at least 1mo before arrival
3) Pennacle (Intranasal Strangles) 1 mo before arrival
   If horse has not had before they will need 2 doses one week apart
4) Wormed 1 month before arrival
5) Farrier work done before arrival
6) Teeth work done before arrival
