

2005-06 Strategic Goals for Secondary Programs

Attain core and secondary benchmarks for ABE

The Kirkwood Adult Literacy Program (Adult Basic Education) met all state benchmarks for core and secondary outcome measures

- Documented educational gains
- Entered employment or retained employment
- Obtained secondary school diploma or GED diploma
- Entered postsecondary education or training

Develop and deliver a core academic curriculum

Based on a survey of student interests and course needs, 2 new high school language arts courses were developed. *Workplace Communication Skills* and *Basic Composition* are now available to students enrolled in our credit recovery and adult high school diploma programs.
