Project Title: Modification to FATR report

Sponsor or Approver: Peg Julius

Contact Information: Financial Aid 205KH, ext. 1274

Project Description and Scope: I would like to request a modification to the report that is generated with FATR that would create a sub-report showing only students who disbursement was changed by the current run of the process. This would be to show only students who were disbursed, or whose disbursement was pulled back, in addition to the report in the can in Colleague that shows students who were processed, or who are failing a rule, and cannot be processed.
