How do I know who my advisor is?
Log in to EagleNet and view “My Profile” to see your advisor’s name.

When should I see my advisor?
You should meet with your advisor before registration begins. Contact your advisor for an appointment.

Why should I see my advisor?
To make sure you are taking the appropriate classes to fulfill your degree and/or transfer requirements!

When can I register for classes?
Summer and Fall 2010 priority registration is April 19th through April 23rd.

When will I know the spring class offerings?
Summer and Fall classes are on EagleNet
Summer credit class schedules arrive March 19
Fall credit class schedules arrive April 5

What if I don’t plan to return next year?
If you expect to graduate – confirm that you have met the requirements with your advisor & if you haven’t already, apply for graduation NOW – the deadline is April 1, 2010 – you must apply in order to have your degree granted.
If you are not graduating with a degree but plan to transfer to a four-year college and would like help in that process, stop in the Advising & Transfer Center in 108 of Iowa Hall.

Do you have questions about counseling and/or career services?
Stop in 115 Iowa Hall or phone us at 398-5471.

Enrolling at a four year university or college next semester?
Application deadlines are important to know – as a rule we encourage you to have all admission materials submitted by March 1st so as to be eligible for early orientation. You should check with each institution for deadlines they may have in place. If you would like help in that process, stop in the Advising & Transfer Center in 108 of Iowa Hall.
