Student Reminders

Scope

Project Title : Student Reminders
Sponsor or Approver : Kathy Kaiser
Project Description and Scope : Registration process reminders for the next semester to currently enrolled students.
Most Important Requirements : Timely enrollment reminders for each semester to include, but not limited to: CHI registration dates, regular registration dates, late registration dates, financial aid timing, scholarship application deadlines, award times, dates for semester starts, etc.
Project Type : software
Places Impacted : On computer screens at student computer labs.
People Impacted : Students.
Budget Code : need cost first
Project Dependencies : Ease in changing information from a central location such as Marketing.
Project Risks : Will this be too expensive or difficult to do?
