

*Whereas it is the mission of the  
Professional Landcare Network (PLANET)  
to advance the professional and personal growth of its members  
and the landscape services industry,  
it is an honor to confer on*

**Kirkwood Community College**  
Landscape Construction and Design Program  
Cedar Rapids, Iowa

*the mantle of Accreditation as meeting all provisions  
of a model curriculum. PLANET recognizes that the future of the  
green industry rests in the hands of the dedicated faculty who help to  
prepare the industry's future leaders. It is these students who will make the world  
a more beautiful place through landscaping.*

A handwritten signature in black ink, appearing to read "Glenn H. Jacobsen".
