**Subject:** ACOTE Action on Plan of Correction from Kirkwood Community College

Dear Dr. Cline,

At its June 9, 2014 meeting, ACOTE reviewed the Plan of Correction submitted by the Occupational Therapy Assistant Program at Kirkwood Community College, Hiawatha, Iowa.

ACOTE appreciates the efforts made to correct the cited area of noncompliance. The program is now considered compliant with the following Standard and no further report is required at this time.

- Standard A.2.1. Full-time Program Director

Accreditation Status: Status remains Accreditation

### Additional Comment:

Because the cited area of noncompliance has been fully resolved within 1 year of ACOTE's accreditation action, ACOTE further voted to grant a 3-year extension of the accreditation term previously awarded. Therefore, the next on-site evaluation of the occupational therapy assistant program has been moved to the 2023/2024 academic year and the program's Interim Report due date adjusted to spring 2018. A revised ACOTE Certificate of Accreditation that reflects the extension of the accreditation term will be forwarded to the program director.

Best wishes for the continued success of this occupational therapy assistant program.
