

**Subject:                    Board of Trustees  
                                  Statements - Guiding Principles**

1. Mission Statement: Kirkwood Community College identifies community needs; provides accessible, quality education and training; and promotes opportunities for lifelong learning.
2. Vision: To be the leader in regional, national, and global education.
3. Learner Access and Success are the primary purpose of Kirkwood Community College. The College will promote collaboration across the organization and among various groups, by achieving consensus on the measures of learner success, and by stressing that learner success is everyone's responsibility.
4. The Board of Trustees shall maintain active membership in state and national associations appropriate to the purposes and responsibilities of the Board (Chapter 279.8, .38).

Date of Adoption:    12-13-18  
Date of Revision:    11-08-18  
Date of Review:      11-08-18
