WELCOME TO

KIRKWOOD COMMUNITY COLLEGE

Dear Members of the Kirkwood Community –

The safety and well-being of everyone on our campuses is a top priority at Kirkwood Community College. However, creating a safe learning environment is not just a job for the Public Safety Department. It's a responsibility we all share.

Our efforts to keep Kirkwood safe include not only the measures and protocols established by our dedicated Public Safety team, but also the actions and attitudes of all individuals within our community. Simple acts, such as reporting suspicious activities, adhering to safety guidelines, and looking out for one another, make a significant difference. By working together, we can create a secure and supportive atmosphere where everyone feels safe to live, work, and thrive.

This campus security report is a vital resource in our safety efforts. It outlines our campus safety measures, shows crime statistics, and details our strategies to fight against alcohol and drug abuse. I urge you to take the time to read it and do your part to help make Kirkwood a safe place for everyone.

- Dr. Kristie Fisher, President

Preparation of the Annual Security Report and Disclosure of Crime Statistics

Kirkwood Community College Public Safety prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by Kirkwood Public Safety, information provided by other campus offices such as Student Affairs, information from Campus Security authorities, and information provided by local law enforcement agencies surrounding each of the Kirkwood campuses. Each of these offices provides updated policy information and crime data.

This report provides statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings, or on property owned, leased, or controlled by Kirkwood Community College. This report also includes institutional policies concerning campus security, such as policies regarding sexual assault, alcohol, and other drugs.

Kirkwood distributes a notice of the availability of this Annual Security Report by Oct. 1 of each year to every member of the Kirkwood community. Anyone, including prospective students and employees, may obtain a paper copy of this report by contacting the Kirkwood Public Safety Department at 319-398-7777 or by visiting www.kirkwood.edu/publicsafety.

Reporting Crimes and Other Emergencies

All crimes on the campus should be promptly and accurately reported to the Kirkwood Office of Public Safety Services, and off-campus crimes should be reported to the appropriate law enforcement agency. Crimes may also be reported to a Campus Security authority (see page 4). Anyone who is involved in an emergency situation, is the victim of a crime, or witnesses any criminal activity is urged to notify Public Safety as soon as possible by dialing 319-398-7777. Upon receiving a report of a crime, Public Safety makes contact with the reportee and gathers the facts of the incident. Once the facts are documented, an investigation will begin. In emergency situations, law enforcement agencies can be reached by dialing 911.

For the purpose of evaluating the need for a timely warning (called Crime Alerts) and for the annual statistical disclosure, crimes should be reported to Public Safety or directly to the associate vice president for Public Safety.

Voluntary, Confidential Reporting

If crimes are never reported, little can be done to help other members of the community from also being victims. We encourage Kirkwood community members to report crimes promptly and to participate in and support crime prevention efforts. The Kirkwood community will be much safer when all community members participate in safety and security initiatives.

If you are the victim of a crime or want to report a crime you are aware of but do not want to pursue action within Kirkwood Community College or the criminal justice system, we ask that you consider filing a voluntary, confidential report. Depending upon the circumstances of the crime you are reporting, you may be able to file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential while taking steps to ensure your safety and the safety of others. The confidential reports allow Kirkwood Public Safety to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security Report. In limited circumstances, the department may not be able to assure confidentiality and will inform you in those cases.

Anyone may call the Kirkwood Public Safety Department at 319-398-7777 to report concerning information. Callers may remain anonymous.

Reporting to the Kirkwood Public Safety Department

We encourage all members of the Kirkwood community to report all crimes and other emergencies to the Kirkwood Public Safety Department in a timely manner. Kirkwood Public Safety is available by phone at 319-398-7777 twenty-four hours a day. Though there are many resources available, Kirkwood should be notified of any crime, whether or not an investigation continues, to assure Kirkwood can assess any and all security concerns and inform the community if there is a significant threat to the Kirkwood community.

For an emergency or to report a crime in progress, dial 911. Provide:

- Location: be as specific as possible
- Type of crime being committed
- If an ambulance or other emergency vehicle is needed
- Any descriptions you can give

Stay on the line until help arrives or the dispatcher tells you to hang up.

Public Safety officers will respond, act if appropriate, investigate, and file a report. Incidents may also be reported to the respective law enforcement agency. Assistance in contacting these agencies is available through Public Safety. All crimes reported to the dean of students, or other Kirkwood staff, must also be reported to Public Safety.

Pastoral and Professional Counselors

According to the Clery Act, pastoral and professional counselors who are appropriately credentialed and hired by Kirkwood Community College to serve in a counseling role are not considered Campus Security authorities when they are acting in the counseling role. As a matter of policy, Kirkwood encourages pastoral and professional counselors to notify those whom they are counseling of the voluntary, confidential reporting options available to them.

Reporting to Other Campus Security Authorities

While Kirkwood Community College prefers that community members promptly report all crimes and other emergencies directly to the Kirkwood Public Safety Department at 319-398-7777 or to 911, we also recognize that some may prefer to report to other individuals or Kirkwood offices. The Clery Act recognizes certain Kirkwood officials and offices as “Campus Security Authorities (CSAs).” The act defines such an individual as an “official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.”

While Kirkwood has identified almost a hundred CSAs at Kirkwood Community College, we officially designate the following offices as places where campus community members should report crimes:

Official	Campus Address	Phone Number
Kirkwood Public Safety	6301 Kirkwood Blvd. SW 126B Facilities Building Cedar Rapids, IA 52404	319-398-7777
Vice President of Student Affairs	6301 Kirkwood Blvd. SW 3036 Iowa Hall Cedar Rapids, IA 52404	319-398-5682
Vice President for Human Resources	6301 Kirkwood Blvd. SW 313 Kirkwood Hall Cedar Rapids, IA 52404	319-398-5572
Dean of Students Office	6301 Kirkwood Blvd. SW 3034 Iowa Hall Cedar Rapids, IA 52404	319-398-5540

Role of Public Safety

Public Safety officers patrol the main campus, respond to emergencies and other calls for service on all campuses, conduct vehicle and foot patrols, and facilitate a variety of safety and security presentations. Public Safety officers may ask persons for identification to determine whether individuals have legitimate business at the college. Public Safety officers have the authority to investigate offenses involving rule violations and to make a referral to the appropriate area of the college. Public Safety officers do not possess arrest powers and do not carry firearms. Criminal incidents are referred to the law enforcement agency having jurisdiction on the campus where the incident took place. Public Safety maintains a highly professional working relationship with local law enforcement and other first responder agencies. All crime victims and witnesses are strongly encouraged to immediately report crimes to Kirkwood Public Safety and appropriate law enforcement agencies.

Safety, Our No. 1 Priority

Kirkwood Community College takes great pride in the community and offers students, faculty, and staff many advantages. This community is a great place to learn, work, and study; however, this does not mean that the campus community is immune from all of the unfortunate circumstances that arise in other communities. With that in mind, Kirkwood has taken progressive measures to create and maintain a reasonably safe environment on campus.

Though Kirkwood is progressive with its policies, programs, and education, it is up to each one of us to live with a sense of awareness and use reasonable judgment when working on or visiting campus.

Crimes Involving Student Organizations at Off-Campus Locations

Kirkwood Community College relies on its close working relationships with local law enforcement agencies to receive information about incidents involving Kirkwood students and recognized student organizations, on and off campus. In coordination with local law enforcement agencies, Kirkwood Public Safety will actively investigate certain crimes occurring on or near campus. If Public Safety learns of criminal activity involving students or student organizations, it will coordinate with the appropriate external law enforcement agency to forward information about the situation to the dean of students, as appropriate. Kirkwood Community College requires all recognized student organizations to abide by federal, state, and local laws, and Kirkwood rules and regulations.

Working Relationship with Local, State, and Federal Law Enforcement Agencies

Kirkwood Community College contracts with the City of Cedar Rapids Police Department (CRPD) to provide a CRPD police officer on the main campus. The college resource officer is a state-certified police officer in good standing with CRPD, with all training and license requirements through the City. The college resource officer is assigned to the campus eight hours per day throughout the year and is responsible for the following:

- Providing classroom instruction for specialized public safety-related programs
- Patrolling of college property and contiguous areas utilized by students
- Responding to criminal incidents and taking appropriate law enforcement action as needed
- Serving as a liaison between the college offices and the CRPD

The college resource officer also assists in serving as a liaison with other law enforcement agencies in jurisdictions in which Kirkwood Community College owns or maintains property. The Public Safety department, through the regional and county center directors, maintains relationships with law enforcement agencies having jurisdiction at those sites.

Linn County Emergency Management is housed in the Facilities building located on the main campus in Cedar Rapids. An extensive relationship exists between Linn County EMA and Kirkwood Public Safety through information sharing and the management of the outdoor warning siren located on the main campus. Public Safety also maintains a working relationship with other county emergency management agencies throughout the service district.

Public Safety also works with state and federal law enforcement for dignitary visits, such as presidential candidates and other state officials, when needed.

Timely Warning Reports

In an effort to provide timely notice to the campus community in the event of a Clery Act crime that may pose a serious or ongoing threat to members of the community, Kirkwood Public Safety issues “Timely Warnings.” Public Safety will generally issue Timely Warnings for the following crimes: arson, aggravated assault, criminal homicide, robbery, burglary, sexual assault, and hate crimes. Public Safety will post these warnings through a variety of ways, including, but not limited to, posters, emails, and media. Kirkwood Community College also has the ability to send text message alerts to those who register their cell phone numbers. Text messaging can be a very effective way to send important information to the campus community.

The purpose of these Timely Warnings is to notify the campus community of the incident and to provide information that may enable community members to protect themselves from similar incidents. Kirkwood will issue Timely Warnings whenever the following criteria are met: 1) a crime is committed, 2) the perpetrator has not been apprehended, and 3) there is a substantial risk to the physical safety of other members of the campus community because of this crime. Such crimes include, but are not limited to: 1) Clery Act crimes that are reported to any campus security authority or the local law enforcement agency or 2) when Kirkwood determines that the incident represents an on-going threat to the campus community.

Additionally, Public Safety may, in some circumstances, issue Public Safety Bulletins when there is a pattern of crimes against persons or property. At Kirkwood, the associate vice president of Public Safety will generally make the determination, in consultation with other Kirkwood offices, if a Public Safety Bulletin is required. For incidents involving off-campus crimes, Kirkwood may issue a Public Safety Bulletin if the crime occurred in a location used and frequented by the Kirkwood population. For additional information on Timely Warnings and Public Safety Bulletins, please see College Procedure 304.20 – Timely Warnings and Emergency Notifications located at www.kirkwood.edu/timelywarningandemergencynotifications.

Emergency Notifications

Kirkwood Community College is committed to ensuring the campus community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus or in the local area that poses an immediate threat to the health and safety of campus community members. Kirkwood Public Safety uses Rave Mobile Safety to provide mass text and email notifications as well as Alertus Technologies to provide desktop notifications to all networked computers on all campuses. Together, these systems make up Kirkwood Alert. Kirkwood Alert is an emergency notification service available to students, staff, and anyone in the Kirkwood community who wants to subscribe. Kirkwood Alert can be used to send emergency messages within minutes of the occurrence of an incident.

Kirkwood Public Safety performs a campuswide monthly test of the system. The following procedures outline the process Kirkwood uses when issuing emergency notifications.

Procedures Used to Notify the Campus Community

In the event of a situation that poses an immediate threat to members of the campus community, Kirkwood Community College has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of emergency notification to all or a segment of the campus community. As outlined in College Procedure 304.20 – Timely Warnings and Emergency Notifications, the college will assess each emergency and send alerts as appropriate for the situation.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES Emergency Management at Kirkwood Community College

Kirkwood Public Safety is responsible for the Comprehensive Emergency Management Plan (CEMP). This plan is designed to be an all-hazards disaster response and emergency management plan that complies with FEMA guidelines for higher education that includes planning, mitigation, response, and recovery actions.

Our priorities are:

- Life safety, infrastructure integrity, and environmental protection during an emergency
- Coordination with Kirkwood departments to write, maintain, test, and exercise the CEMP
- Cooperation, integration, and mutual aid with local, state, and federal planning, response, and public safety agencies and their CEMPs

Drills, Exercises, and Training

Annually, Kirkwood Community College conducts an emergency management exercise to test emergency procedures. The scenarios for these exercises change from year to year and include several departments from across the campus.

To ensure Kirkwood's emergency management plans remain current and actionable, the college will conduct an emergency management exercise at a minimum of once yearly. These exercises may include tabletop drills, emergency operations center exercises, or full-scale emergency response exercises. The college conducts after-action reviews of all emergency response exercises.

In conjunction with at least one emergency management exercise each year, Kirkwood will notify the community of the exercise and remind the community of the information included in Kirkwood's publicly available information regarding emergency response procedures.

Evacuation Procedure:

It is the responsibility of each faculty member, staff member, and student to be familiar with the emergency reference guide and the location of the nearest exit(s).

Do:

- Advise everyone to leave the area
- Listen to and follow all instructions
- Gather personal belongings quickly, if possible
- Close doors as you leave
- Leave the building by the closest exit or as directed

- Wait for "All Clear" from campus officials before re-entering

Don't:

- Use the elevators
- Attempt to re-enter the building until advised by officials it is safe to do so

More information regarding Kirkwood's emergency response can be found by visiting our digital Emergency Reference Guide: www.kirkwood.edu/emergencyreferenceguide.

Fire Procedure:

To report fire, or if you see or smell significant smoke:

1. Pull the fire alarm pull station closest to the problem
2. Close doors as you leave

Note: Do not attempt to extinguish the fire unless you have 1) reported it and 2) can do so safely without putting yourself or those around you in greater danger.

To use a fire extinguisher, use P.A.S.S.:

1. Pull the pin
2. Aim the extinguisher at the base of the fire or at the side closest to you
3. Squeeze the handle
4. Sweeping motion across the fire

Don't:

- Assume it's a false alarm
- Ask if you should evacuate — just evacuate
- Gather around the exits

Security of and Access to Facilities

At Kirkwood Community College, administrative buildings and offices are generally open from 8 a.m. until 5 p.m., Monday through Friday, and academic buildings are generally open from 7 a.m. until 10 p.m., Monday through Friday. Academic buildings are scheduled to be open on weekends only as needed. Access to individual classrooms and laboratories is limited to those enrolled in the courses meeting there. Likewise, access to most programs is limited to those enrolled in the program or otherwise authorized access. Any after-hours access to buildings or spaces should be arranged through internal college procedures, such as completing a work order, or contacting Public Safety at 319-398-7777 to request an unlock.

Many cultural and athletic events held in Kirkwood facilities are open to the public. Other facilities, such as the bookstore, library, and performance centers, are likewise open to the public. Only those who have demonstrated a need are issued keys to a building.

Security Considerations for the Maintenance of Campus Facilities

Kirkwood Community College is committed to campus safety and security. At Kirkwood, locks, landscaping, and outdoor lighting are designed for safety and security. Sidewalks are designed to provide well-traveled, lighted routes from parking areas to buildings and from building to building. Sidewalks and building entrances are illuminated to provide well-traveled, lighted routes from parking areas to buildings and from building to building.

Public Safety conducts regular assessments of all Kirkwood properties to evaluate campus lighting. Parking lot lights and exterior lights that are found to be inoperable are immediately reported to Kirkwood Facilities for repair. We encourage community members to promptly report any security concern, including concerns about locking mechanisms, lighting, or landscaping, to Kirkwood Public Safety by calling 319-398-7777.

Definitions of Geography on Campus

Any building or property owned or controlled by an institution within the same reasonable contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls (Kirkwood Community College does not have residence halls), and any building or property that is within or reasonably contiguous to the identified area of this definition that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes. In an effort to help further define an on-campus location, the following information is used: The location provides classes in an organized program of study and has at least one person on-site acting in an administrative capacity. The following are all examples of this:

- Regional and county centers in Linn, Jones, Benton, Washington, Johnson, Iowa, and Cedar counties

Noncampus Building or Property

Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not in the same reasonably contiguous geographic area of the institution. All noncampus crimes are reported under the Kirkwood Community College campus crime statistics chart. Although many locations are included in this category, the following is a sample of what is included:

- Hotels used by athletics teams and student organizations when they travel for more than one night or use the same location every year
- Locations used by athletics teams for games or practices, as well as for academic courses taught at off-site locations, such as Hunters Ridge Golf Course, etc.

My Institution's Response to Sexual and Gender Violence

Introduction

Kirkwood Community College does not discriminate on the basis of sex in its educational programs, and sexual harassment and sexual violence are types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited, whether sexually based or not, and include dating violence, domestic violence, and stalking. As a result, Kirkwood has a policy that addresses discrimination, harassment, and sexual misconduct. Educational programs and procedures are in place that address sexual assault, domestic violence, dating violence, and stalking, regardless of whether the incident occurs on or off campus and when it is reported to a college official. In this context, Kirkwood prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking and reaffirms its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the college community.

For a complete copy of Kirkwood Community College's policy governing discrimination, harassment, and sexual misconduct, visit www.kirkwood.edu/sexualmisconduct.

Reporting Sexual Misconduct

Contacting the police or Kirkwood Public Safety does not mean a complainant must pursue charges. Kirkwood Public Safety and local law enforcement can advise individuals of their options and can also preserve evidence while the person considers their options.

Reporting to Law Enforcement

Because sexual misconduct may constitute both a violation of college policy and criminal activity, the college strongly encourages, but does not require, students to report concerns of sexual misconduct to law enforcement as soon as possible after the incident. A complainant may proceed under these procedures whether or not they elect to report to law enforcement as well.

- For emergencies, contact 911.
- To contact law enforcement in nonemergency situations, call the nonemergency number for your local police department.

Reporting to Kirkwood

To seek assistance and support, or to report misconduct in nonemergency situations, contact the Dean of Students Office, 3034 Iowa Hall, 319-398-5540, or Public Safety, 319-398-7777. Other reporting options include:

- Contacting Title IX Coordinator Melissa Payne, vice president for student services, at 319-398-5584, melissa.payne@kirkwood.edu, or 3036 Iowa Hall

Contacting a deputy Title IX coordinator:

- Bobbi Miller, dean of students, 319-398-7798, bobbi.miller@kirkwood.edu
- Caitlyn Miller, associate director of student assistance and outreach, 319-398-4489, caitlyn.miller@kirkwood.edu
- Wes Fowler, vice president of human resources, 319-398-7797, wes.fowler@kirkwood.edu

Clery Definitions of Crimes

Consent: Consent is not defined in Iowa Code, but Kirkwood policy defines consent as it relates to sexual misconduct in the following manner:

Consent means words or clear, unambiguous actions that show a knowing and voluntary agreement to engage in mutually agreed-upon sexual activity.

- Consent is voluntary. It must be given without coercion, force, threats, or intimidation.
- Consent is affirmative. Consent means positive cooperation in the act or expression of intent to engage in the act pursuant to an exercise of free will. Silence or the absence of resistance does not equate to consent.
- Consent is clear. If confusion or uncertainty on the issue of consent arises anytime during the sexual interaction, the sexual activity should cease.
- Consent is revocable. Consent to some form of sexual activity does not imply consent to other forms of sexual activity. Consent to sexual activity on one occasion is not consent to engage in sexual activity on another occasion. A current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Even in the context of a relationship, there must be mutual consent to engage in sexual activity — every time. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.
- Consent cannot be given when a person is incapacitated.
- Being intoxicated by drugs or alcohol oneself does not diminish the responsibility to obtain consent from the other party.

Sexual Assault: “Sexual assault” means an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI’s Uniform Crime Reporting system (see below). A sex offense is any act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

- Rape is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
- Fondling is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- Incest is defined as non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- Statutory Rape is defined as non-forcible sexual intercourse with a person who is under the statutory age of consent.

Under the Iowa Criminal Code 709.1, Sexual Abuse is defined as:

Any sex act between persons is sexual abuse by either of the persons when the act is performed with the other person in any of the following circumstances:

1. The act is done by force or against the will of the other. If the consent or acquiescence of the other is procured by threats of violence toward any person or if the act is done while the other is under the influence of a drug-inducing sleep or is otherwise in a state of unconsciousness, the act is done against the will of the other.
2. Such other person is suffering from a mental defect or incapacity which precludes giving consent, or lacks the mental capacity to know the right and wrong of conduct in sexual matters.
3. Such other person is a child.

Domestic Violence: The term “domestic violence” means:

1. Felony or misdemeanor crimes of violence committed —
 - i. By a current or former spouse or intimate partner of the victim;
 - ii. By a person with whom the victim shares a child in common;
 - iii. By a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;

- iv. By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
 - v. By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
2. For the purposes of complying with the requirements of this section and 34 CFR section 668.41, Iowa Criminal Code 236.2 pertains to Domestic Abuse and states the following:
- "Domestic abuse" means committing assault as defined in section 708.1 under any of the following circumstances:
- a. The assault is between family or household members who resided together at the time of the assault.
 - b. The assault is between separated spouses or persons divorced from each other and not residing together at the time of the assault.
 - c. The assault is between persons who are parents of the same minor child, regardless of whether they have been married or have lived together at any time.
 - d. The assault is between persons who have been family or household members residing together within the past year and are not residing together at the time of the assault.
 - e. (1) The assault is between persons who are in an intimate relationship or have been in an intimate relationship and have had contact within the past year of the assault. In determining whether persons are or have been in an intimate relationship, the court may consider the following nonexclusive list of factors:
 - a. The duration of the relationship.
 - b. The frequency of interaction.
 - c. Whether the relationship has been terminated.
 - d. The nature of the relationship, characterized by either party's expectation of sexual or romantic involvement.
- (2) A person may be involved in an intimate relationship with more than one person at a time.
- "Emergency shelter services" include, but are not limited to, secure crisis shelters or housing for victims of domestic abuse.
- "Family or household members" means spouses, persons cohabiting, parents, or other persons related by consanguinity or affinity.
- "Family or household members" does not include children under age eighteen of persons listed in paragraph "a."
- "Intimate relationship" means a significant romantic involvement that need not include sexual involvement. An intimate relationship does not include casual social relationships or associations in a business or professional capacity.

Dating Violence: There is no provision in the Iowa Criminal Code for dating violence. Kirkwood Community College will use the Iowa Criminal Code's Assault criteria along with relationship factors to determine whether or not an incident constitutes dating violence under the Clery Act.

The term "dating violence" means violence committed by a person:

- 1. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- 2. The existence of such a relationship shall be based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
 - (i) For the purposes of this definition —
 - i. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
 - ii. Dating violence does not include acts covered under the definition of domestic violence.
- 3. For the purposes of complying with the requirements of this section and section 668.41 Code of Federal Regulations (C.F.R.), any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Iowa Criminal Code 708.1 states:**ASSAULT DEFINED**

1. An assault as defined in this section is a general intent crime.
2. A person commits an assault when, without justification, the person does any of the following: a. Any act which is intended to cause pain or injury to, or which is intended to result in physical contact which will be insulting or offensive to another, coupled with the apparent ability to execute the act. b. Any act which is intended to place another in fear of immediate physical contact which will be painful, injurious, insulting, or offensive, coupled with the apparent ability to execute the act. c. Intentionally points any firearm toward another, or displays in a threatening manner any dangerous weapon toward another.
3. An act described in subsection 2 shall not be an assault under the following circumstances:
 - a. If the person doing any of the enumerated acts, and such other person, are voluntary participants in a sport, social or other activity, not in itself criminal, and such act is a reasonably foreseeable incident of such sport or activity, and does not create an unreasonable risk of serious injury or breach of the peace.
 - b. If the person doing any of the enumerated acts is employed by a school district or accredited nonpublic school, or is an area education agency staff member who provides services to a school or school district, and intervenes in a fight or physical struggle, or other disruptive situation, that takes place in the presence of the employee or staff member performing employment duties in a school building, on school grounds, or at an official school function regardless of the location, whether the fight or physical struggle or other disruptive situation is between students or other individuals, if the degree and the force of the intervention is reasonably necessary to restore order and to protect the safety of those assembled.

Stalking: The term “stalking” means:

1. Engaging in a course of conduct directed at a specific person that would cause a reasonable person to —
 - (i) Fear for the person’s safety or the safety of others; or
 - (ii) Suffer substantial emotional distress.
2. For the purposes of this definition —
 - (i) Course of conduct means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.
 - (ii) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
 - (iii) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.
3. For the purposes of complying with the requirements of this section and section 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Iowa Criminal Code 708.11 states:**STALKING**

1. As used in this section, unless the context otherwise requires:

 - d. “Repeatedly” means on two or more occasions.
2. A person commits stalking when all of the following occur:
 - a. The person purposefully engages in a course of conduct directed at a specific person that would cause a reasonable person to fear bodily injury to, or the death of, that specific person or a member of the specific person’s immediate family.
 - b. The person has knowledge or should have knowledge that the specific person will be placed in reasonable fear of bodily injury to, or the death of, that specific person or a member of the specific person’s immediate family by the

- course of conduct.
- c. The person's course of conduct induces fear in the specific person of bodily injury to, or the death of, the specific person or a member of the specific person's immediate family.
3.
 - a. A person who commits stalking in violation of this section commits a class "C" felony for a third or subsequent offense.
 - b. A person who commits stalking in violation of this section commits a class "D" felony if any of the following apply:
 - (1) The person commits stalking while subject to restrictions contained in a criminal or civil protective order or injunction, or any other court order which prohibits contact between the person and the victim, or while subject to restrictions contained in a criminal or civil protective order or injunction or other court order which prohibits contact between the person and another person against whom the person has committed a public offense.
 - (2) The person commits stalking while in possession of a dangerous weapon, as defined in section 702.7.

 - (4) The offense is a second offense.
 - c. A person who commits stalking in violation of this section commits an aggravated misdemeanor if the offense is a first offense which is not included in paragraph "b."
 4. Violations of this section and accompanying offenses shall be considered prior offenses for the purpose of determining whether an offense is a second or subsequent offense. A conviction for, deferred judgment for, or plea of guilty to a violation of this section or an accompanying offense which occurred at any time prior to the date of the violation charged shall be considered in determining that the violation charged is a second or subsequent offense. Deferred judgments pursuant to section 907.3 for violations of this section or accompanying offenses and convictions or the equivalent of deferred judgments for violations in any other states under statutes substantially corresponding to this section or accompanying offenses shall be counted as previous offenses. The courts shall judicially notice the statutes of other states which define offenses substantially equivalent to the offenses defined in this section and its accompanying offenses and can therefore be considered corresponding statutes. Each previous violation of this section or an accompanying offense on which conviction or deferral of judgment was entered prior to the date of the violation charged shall be considered and counted as a separate previous offense. In addition, however, accompanying offenses committed as part of the course of conduct engaged in while committing the violation of stalking charged shall be considered prior offenses for the purpose of that violation, even though the accompanying offenses occurred at approximately the same time. An offense shall be considered a second or subsequent offense regardless of whether it was committed upon the same person who was the victim of any other previous offense.
 5. Notwithstanding section 804.1, rule of criminal procedure 2.7, Iowa court rules, or any other provision of law to the contrary, upon the filing of a complaint and a finding of probable cause to believe an offense has been committed in violation of this section, or after the filing of an indictment or information alleging a violation of this section, the court shall issue an arrest warrant, rather than a citation or summons. A peace officer shall not issue a citation in lieu of arrest for a violation of this section. Notwithstanding section 804.21 or any other provision of law to the contrary, a person arrested for stalking shall be immediately taken into custody and shall not be released pursuant to pretrial release guidelines, a bond schedule, or any similar device, until after the initial appearance before a magistrate. In establishing the conditions of release, the magistrate may consider the defendant's prior criminal history, in addition to the other factors provided in section 811.2.
 6. For purposes of determining whether or not the person should register as a sex offender pursuant to the provisions of chapter 692A, the fact finder shall make a determination as provided in section 692A.126.

Procedures Victims of Sexual Violence Should Follow

If an incident of sexual assault, domestic violence, dating violence, or stalking occurs it is important to preserve evidence to aid in the possibility of a successful criminal prosecution or obtaining a protection order. The victim of a sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical exam. Any clothing removed should be placed in a paper bag. Evidence of violence, such as bruising or other visible injuries, following an incident of domestic or dating violence should be documented including through the preservation of photographic evidence. Evidence of stalking including any communication, such as written notes, voicemail, or other electronic communications should be saved and not altered in any way.

Hazing Policy Statement

Kirkwood Community College prohibits any form of “hazing” in its programs, activities, and by student organizations. This policy sets forth the College’s definitions, procedures for reports of hazing, the potential consequences for hazing, information on Kirkwood’s hazing prevention and awareness programs, and the College’s reporting and publication requirements.

Definition of Hazing

Hazing [1] is defined as any intentional, knowing, or reckless act committed by a person (alone or acting with others), against another student or prospective member of an organization, regardless of the willingness of such other person or persons to participate, that:

- Is a condition of initiation into admission, affiliation with, or continued maintenance of membership in a student group and/or organization, **regardless of consent**; and
- Causes or creates an unreasonable risk, above the reasonable risk encountered in the course of participation in the institution of higher education or the organization (such as the physical preparation necessary for participation in an athletic team), of physical or psychological injury

This includes but is not limited to:

- whipping, beating, striking, electronic shocking, placing harmful substances on someone’s body, or similar activity;
- causing, coercing, or otherwise inducing sleep deprivation, exposure to the elements, confinement in a small space, extreme calisthenics, or other similar activity;
- causing, coercing, or otherwise inducing another person to consume food, liquid, alcohol, drugs, or other substances;
- causing, coercing, or otherwise inducing another person to perform sexual acts;
- any activity that places another person in reasonable fear of bodily harm through the use of threatening words or conduct;
- any activity against another person that includes a criminal violation of local, State, Tribal, or Federal law; and/or
- any activity that induces, causes, or requires another person to perform a duty or task that involves a criminal violation of local, State, Tribal, or Federal law.

A student organization is defined as an organization at Kirkwood (such as a club, society, association, varsity or junior varsity athletic team, club sports team, fraternity, sorority, band, or student government) in which two or more of the members are Kirkwood enrolled students, whether or not the organization is established or recognized by Kirkwood.

Required Education and Prevention

It is the policy of Kirkwood to develop and offer prevention and awareness programs related to hazing. These programs will be research-informed and designed to reach students, faculty, and staff with information about:

- This Policy, including how to report incidents of hazing and Kirkwood’s processes used to investigate incidents of hazing;
- Iowa’s hazing law; and
- Primary prevention strategies intended to stop hazing before hazing occurs, which may include skill building for bystander intervention, information about ethical leadership, and the promotion of strategies for building group cohesion without hazing.

Students, faculty, and staff involved in campus organizations, clubs, athletics, academic programs, and performing arts will have access to comprehensive hazing prevention training. This training will provide guidance on how to identify, prevent, and report hazing, and will be available in multiple formats to ensure accessibility for all participants.

Reporting Hazing

All Kirkwood employees, including faculty, staff, and student workers, must **report incidents of known or alleged hazing**.

Reports can be submitted via:

- The Campus Hazing Reporting Form
- The Dean of Students Office,
- Kirkwood Public Safety

Failure to report hazing may result in disciplinary action, up to and including termination.

Students are also strongly encouraged to report instances of hazing to College officials using one of the above reporting methods.

Transparency and Public Disclosure

In compliance with the Stop Campus Hazing Act, Kirkwood Community College will:

- Provide statistical information on hazing incidents within Kirkwood's Clery geography **within our Annual Security Report (ASR)**; and
- If there are violations, maintain a **publicly accessible record** of all hazing violations by student organizations within the past five years from the date of publication, called a "Campus Hazing Transparency Report." This Report will include information such as the name of the student organization, date of the incident, and any sanctions imposed.

This database will be published on our **Kirkwood Public Safety Webpage and available when requested**. Neither the statistical information in the ASR nor the Campus Hazing Transparency Report will include any student's personally identifiable information, as defined by the Family Educational Rights and Privacy Act ("FERPA").

Investigation and Accountability

Upon receiving a report of hazing, the College will process the complaint and adjudication under and consistent with the Student Code of Conduct, which includes:

- Conducting a prompt, thorough, and impartial investigation,
- Providing due process to all parties involved as required by law, and
- Enforcing appropriate sanctions, including removal of organizational recognition, suspension, or expulsion.

Any allegations or reports against faculty or staff will be investigated and handled under applicable employee policies, procedures, and law.

For questions related to this procedure, please contact the Dean of Students Office.

[1] Iowa also has a criminal law on "hazing," Iowa Code 708.10. This law defines hazing as an intentional or reckless act or acts involving forced activity which endangers the physical health or safety of a student for the purpose of initiation or admission into, or affiliation with, any organization operating in connection with the College, regardless of the student's willingness to participate.

On- and Off-Campus Resources

There are campus and community services available to individuals who are subjected to sexual misconduct, regardless of whether an individual chooses to report a violation of these procedures to the college or local law enforcement. The college strongly encourages individuals subjected to sexual misconduct to seek assistance to care for themselves emotionally and physically through confidential crisis intervention, health care, and counseling. Individuals should keep in mind that medical examinations are time sensitive and are critical in preserving evidence of sexual assault.

Public Safety provides services 24 hours a day and can respond to reports of emergencies. Public Safety works closely with law enforcement and can assist individuals in understanding their options for reporting incidents and assisting individuals in contacting local law enforcement to report an incident of sexual misconduct. Contacting Public Safety or law enforcement does not mean a student must pursue criminal charges. Public Safety can also assist individuals in safety planning and provides escort services.

3. Human Resources Office: 313 Kirkwood Hall, 319-398-5572

Staff can assist an employee in filing a report or, if the employee is not ready to file a report, the staff can work with the person to address concerns over work assignments or schedules, leaves of absence, or other employment concerns. 4. Dean of Students Office: 3034 Iowa Hall, 319-398-5540

Staff can assist a student in filing a report or, if the student is not ready to file a report, the staff can work with the person to address concerns over housing, class assignments or schedules, leaves of absence, withdrawal, or other academic concerns. Staff can also assist the student in notifying Public Safety or local law enforcement, if requested by the student, and provide referrals to students to resources, such as counseling or a confidential advocate.

Supportive Measures

The Title IX coordinator may institute supportive measures to protect the safety of the college community, to enable parties and witnesses to continue their studies or work, and to ensure the integrity of an investigation. Supportive measures will be individualized, provided without fee or charge to the student(s) or employee(s), and are nondisciplinary in nature. Complainant's preferences will be considered when instituting supportive measures.

The college may make a nondisciplinary interim suspension of a student respondent on an emergency basis. Prior to suspending a student, the college will conduct an individualized safety and risk analysis and determine whether there is an immediate threat to the physical health or safety of any individual. Any student so suspended will be provided with notice and an opportunity to challenge this action immediately following the removal.

The college may, in its discretion, place an employee respondent on administrative leave pending the outcome of a grievance process.

The Dean of Students Office, Office of Human Resources, and/or Campus Security may also take additional interim supportive actions, as appropriate, including, but not limited to:

- Offering counseling to any party
- Extension of deadlines or other course-related adjustments
- Modifying class or work schedules
- Changing work or housing locations
- Addressing other academic concerns (e.g., absences, assignments, grades, leaves of absence, withdrawal)
- Mutual restriction on contact between the parties
- Safety planning, including campus escort services and increased security or monitoring of certain areas of campus
- Leaves of absence, or
- Education/training

Confidentiality

Kirkwood is committed to creating an environment that encourages individuals to come forward if they have experienced any form of sexual misconduct. The college will work to safeguard the identities and privacy of individuals who seek help or who report sexual misconduct. However, it is important that individuals understand the limits on confidentiality of individuals whom they may contact for such assistance. Different people, depending on their positions, have different obligations with regard to confidentiality.

The college will keep confidential the identity of any individual who has made a report or complaint of sexual discrimination or sexual harassment, or who has been identified as the perpetrator or respondent to any such report or complaint, or is a witness to any complaint or investigation, except as required to carry out the purposes of these procedures (including the conduct of any investigation, hearing, or judicial proceeding), applicable law, or as permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g.

Under Iowa law, communications with some individuals are confidential. Anyone who wants to maintain confidentiality should always confirm whether confidentiality applies to the communication before they make the communication. Generally, confidentiality applies when an individual seeks services from the following persons:

- Trained and statutorily certified victim's advocate (this includes advocates working from the Riverview Center or Waypoint Services)
- Licensed psychological counselor (including counselors from Kirkwood Counseling Services)
- Licensed healthcare provider
- Personal attorney representing the complainant, respondent, and/or other participants
- Religious/spiritual counselor

Any other college employee cannot guarantee complete confidentiality. However, information is disclosed only to select officials who have an essential need to know in order to carry out their job responsibilities. As is the case with any educational institution, the college must balance the needs of the individual with its obligation to protect the safety and well-being of the community at large. Therefore, depending on the seriousness of the alleged incident, further action may be necessary, including a Timely Warning Notice, where required by the Clery Act. The notice would not contain any information identifying the individual who brought the complaint.

Education Programs

Kirkwood Community College is committed to increasing the awareness of and preventing sexual violence. All incoming students and new employees are provided with programming and strategies intended to prevent rape, acquaintance rape, sexual assault, domestic violence, dating violence, and stalking before it occurs through the changing of social norms and other approaches; that includes a clear statement that Kirkwood prohibits such acts, their definitions, the definition of consent, options for bystander intervention, information about risk reduction, and our policies and procedures for responding to these incidents. Ongoing prevention and awareness campaigns are also offered throughout the year. These programs include:

- All students, excluding high school and nondegree-seeking students, are required to view and complete a violence prevention program through Vector Solutions. This interactive online program is designed for community college students to prevent sexual harassment. This specific program educates students on definitions related to sexual harassment and provides students with information and expectations related to Kirkwood's sexual harassment policy and student support services on campus and in the community.
- All Kirkwood employees are required to review Kirkwood's sexual harassment procedures policy as a new employee. This policy can be found at <https://creditcatalog.kirkwood.edu/academic-student-procedures/general-procedures-student-rights/sexual-harassment-procedure/>.
- Kirkwood student athletes and other targeted populations participate each year in Mentors in Violence Prevention training. Mentors in Violence Prevention (MVP) is a leadership program that motivates both men and women to play a central role in solving problems related to gender violence. MVP enables the community to stand up against all forms of gender-based violence and challenges participants to understand and embrace their roles as leaders when faced with these issues.
- Kirkwood's Title IX team provides optional yearly training to Kirkwood employees on Title IX and the role of a "responsible employee."
- Poster/bulletin board campaigns.
- Optional student self-defense class.

Prohibition on Retaliation

Retaliation against a person who reports sexual misconduct, assists someone with a report of sexual misconduct, or participates in any manner in an investigation or resolution of a sexual misconduct report is strictly prohibited. Retaliation includes threats, coercion, discrimination, intimidation, reprisals, and/or adverse actions related to employment or education.

These procedures' anti-retaliation protections do not apply to any individual who makes a materially false statement in bad faith in the course of any complaint, investigation, hearing, or other proceeding under these procedures. However, a determination that an individual made a materially false statement in bad faith must be supported by some evidence other than the determination of whether the respondent violated these procedures alone.

Sex Offender Registration

The federal Campus Sex Crimes Prevention Act, enacted on Oct. 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice, as required under state law, of each institution of higher education in that state at which the person is employed, carries on a vocation, volunteers services, or is a student.

In Iowa, convicted sex offenders must register with the sheriff of each county where the offender has a residence, maintains employment, or is in attendance as a student, within five business days of being required to register under section Iowa Code 692A.103 by providing all relevant information to the sheriff. To obtain information regarding sex offenders, contact the local sheriff's office or check the Iowa Sex Offender Registry at <https://www.iowasexoffender.gov/>.

Disclosure of Disciplinary Proceeding Outcome to Victims (or Next of Kin) of Sex Crimes or of Violence

Kirkwood Community College will provide the victim of a crime of violence (i.e., an offense that has as an element the use, attempted use, or threatened use of physical force against the person or property of another, or any other offense that is a felony and that, by its nature, involves a substantial risk that physical force against the person or property of another may be used in the course of committing the offense [18 U.S. Code § 16]) or a non-forcible sex offense, a statement of the results of any disciplinary proceeding conducted by Kirkwood Community College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Campus Security Policies, Crime Prevention, and Safety Awareness Programs

In addition to the many programs offered by Kirkwood Public Safety and other Kirkwood offices, Kirkwood Community College has established a number of policies and procedures related to ensuring a reasonably safe campus community. These policies include:

Crime Prevention and Tips

On Campus:

- Don't walk alone; always walk in a group or with a friend. If you do not have someone with whom to walk, contact Kirkwood Public Safety.
- Choose well-lighted paths and avoid shortcuts. If you see an area light out, please report it to Public Safety.
- Be aware! If you believe someone is following you, occasionally look behind you. Immediately head for the nearest building or group of people. Contact Public Safety or 911 as soon as possible.
- If you carry cash, don't flash it. The same goes for using ATMs. Use extra caution when using an ATM by checking the surroundings for suspicious persons.
- Report all suspicious behavior as soon as possible by contacting Public Safety at 319-398-7777.

Parking Lots:

- When approaching your parked car, have your keys ready. Check the interior of your car, making sure no one is inside your car before you enter.
- As soon as you are inside your car, lock all your doors.
- Contact Public Safety for a security escort to your car from your current building.
- Anticipate when you will return to your car. If it is after dark, park beneath a light.
- NEVER DRINK AND DRIVE!

Protect Your Car:

- Always lock! If it is easy for you to get in, it will be easy for others too.
- Windows should always be rolled up completely.
- A car in well-lighted and traveled areas is difficult and risky to steal.
- Mark all stereos or other car accessories with an identifying number that cannot be easily removed. If they are stolen, their description and identifying number can be loaded into the National Criminal Information Computer available to police departments all over the United States.
- Don't leave valuable items in view. Put bags and boxes in the trunk and use a stereo with a removable faceplate. Don't ever leave a cell phone out!

Property Safety:

- Mark your property by engraving or recording the serial number so it can be identified. If your marked property is stolen, the description and identifying number can be entered into the National Criminal Information Computer available to police departments all over the United States.
- When in any public and academic spaces on campus, don't leave any property unattended, even for a minute.
- Books are usually stolen at the start and end of the semester for resale.
- At work, arrange to lock your purse or bag up. Don't leave your belongings open for thieves.
- Keep a record of all your valuables. A picture of jewelry or other highly valuable items is essential.
- In the locker room, always lock your locker. It is an easy way to prevent wallet theft.
- An engraver can be checked out from the Public Safety Office with a valid Kirkwood ID.

Harassing Phone Calls:

- Harassing phone calls can be a crime.
- Authorities may be able to trace harassing phone calls, but timely reporting is a must.
- If you get a persistent harassing caller, understand their psychology; they want you mad. Don't get mad; just calmly hang up the phone. Don't let them win.
- If the phone call is threatening or harassing, contact the Cedar Rapids Police Department at 319-286-5491 or 911 immediately. Don't take any risks.
