- 4+ GB RAM
- 4+ GB free hard drive space
- Windows 10 (**No Mac OS**)
- Webcam, microphone, and headphones (*for virtual education*)

Software Requirements

Software will be downloadable, from faculty, during class time.

- Exemplify/ExamSoft
- ATI Testing
- EPIC

To install the Microsoft Office Suite:

- Sign into your KCC e-mail via Kirkwood.edu
- First CLICK:  Outlook
- Second CLICK: Office 365 →
- Third CLICK: Install Office ∨
- Sign-in with k0000000@student.kirkwood.edu and your Talon Password.

Kirkwood's EagleTech has worked closely with the Nursing Department and have selected a range of devices that will work well for your Nursing experience. All models are available for purchase through EagleTech at educational pricing, tax-free, and you can use your financial aid to make your purchase. Mac OS systems have been known to not work as well with the Nursing Program software packages, so **purchase with caution**. iPads **will not work**.
