Program Description

The Kirkwood Plumbing Pre-Apprenticeship program provides entry-level skills and knowledge for students preparing to enter the plumbing industry. Classes in the first semester focus on safety, hand and power tools, materials, pipe joining methods, code book layout, plan and print reading, and trade calculations. Hands-on classes concentrate on pipe joining, pipe materials and basic pipe fitting practices. In addition, students will design and construct a three-fixture washroom group.

The second semester covers plumbing code requirements, installation requirements for drain, waste and vent systems, water pipe systems, gas pipe systems, gas venting systems, and cross connection and backflow prevention.
