

Kirkwood
COMMUNITY COLLEGE

2026
Commencement

Ten o'clock Saturday morning
May Ninth, Two Thousand Twenty-Six

May 2026

To our Graduates, their Families and Friends, and
Members of the Community:

Commencement is such a special day — one that
celebrates hard work, dedication, and achievement.
Today, our graduates get to embrace the success they've
earned, and I couldn't be prouder.

I know firsthand what it takes to reach this moment. As a first-generation
college student who graduated from Kirkwood in 1990, I quickly learned
that success requires commitment, sacrifice, and resilience. It's not just
about showing up — it's about pushing forward, even when it's tough.
Today's graduates have done just that. Their Kirkwood education is a
gateway to new opportunities, and I have no doubt they are ready to take
on what's next.

The impact of this graduating class will be felt far beyond today. Many
will stay in our community, joining generations of Eagles already making a
difference across our region. Wherever they go, I know they will thrive.

Congratulations, Class of 2026!

Sincerely,

A handwritten signature in cursive script that reads "Kristie Fisher".

Academic Regalia

Academic life as we know it began first in the church, then in the guilds. The teaching guild was the Guild of the Master of Arts, where the Bachelor was the apprentice of the Master and the dress was the outward sign of privilege and responsibility.

The flowing gown, while it originally was worn as protection against the cold of unheated buildings, today has become symbolic of the democracy of scholarship, for it covers any dress or rank or social standing underneath. The bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. The bachelor's and master's gowns are untrimmed. The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing or bars may be black or may be a color pertaining to the discipline.

The hood gives color to the academic costume while its length indicates the wearer's academic degree. Hoods are made in a wide panel of black cloth matching the gown and are lined with satin in the official academic colors of the institution where the degree was conferred.

The colors associated with the discipline are used in the edging of hoods and, in some cases, for the trim of the doctor's gowns. For all academic purposes, the colors associated with the different disciplines are as follows:

Agricultural	Maize
Architecture	Blue Violet
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange

Candidates wearing a gold stole are members of Phi Theta Kappa International Honor Society.

Candidates wearing an apricot cord are members of Epsilon Omicron Chapter of Alpha Delta Nu Nursing Honor Society.

Candidates wearing a red, white, and blue cord are members who have honorably served, are serving, or are commissioned to serve in the United States Armed Forces; Kirkwood recognizes their dedication to duty and sacrifice.

Candidates wearing a silver cord have completed

the Eagle Leadership Program recognized by Kirkwood Student Life.

Candidates wearing a black, white, and blue cord are graduates of the Project Start program.

Candidates wearing a light blue and white cord are Kirkwood Student Ambassadors.

Candidates wearing a maroon graduation cord participated in Engagement and Success Coaching. The maroon cord represents the strength, perseverance, courage, and dedication these students demonstrated throughout their academic journey.

Academic Symbols

Academic symbols reflect the continuity and strengths of higher education in our culture. The chain of office featuring the presidential medallion, and the academic mace, have been chosen as representative academic symbols of Kirkwood Community College.

The Presidential Medallion

The presidential medallion and chain of office symbolize the authority vested in the office of the president by the Kirkwood Board of Trustees. The heavy chain symbolizes the weight of responsibility for the wearer, strength in unity, and strong communication. The chain includes special inscriptions honoring all Kirkwood presidents. The chain also features our presidential medallion embossed with an eagle, which symbolizes courage, strength, and freedom. These attributes reflect Kirkwood's commitment to accessibility and student success, as well as our mission, vision, and values. The medallion celebrates Kirkwood's perpetual pursuit to help all students find their future by navigating a path that takes them higher and further than ever imagined.

The Mace

In higher education, the mace has been adopted as a symbol of the power of the academic quest for truth and wisdom. The academic mace has been chosen by Kirkwood Community College to acknowledge the institution's role as a starting point for students seeking truth and wisdom.
